Dear Co-Worker for Peace,

The Peaceful Solution Character Education Incorporated is seeking your donation to assist with the implementation of the Peaceful Solution Character Education Program worldwide. This program is reaching schools, prisons, community centers, and housing facilities throughout the world and is proving to be the most effective resource for changing the hearts and minds from negative social behavior to peaceful, productive lifestyles.

Being a 501 (c) 3 organization, our main source of financing is from public donations. We have many institutions that urgently want to implement the Peaceful Solution Character Education Program, but as a non-profit organization, we are very limited with funding to meet our printing, publishing, shipping and handling needs. There are schools that are begging for additional teaching devices such as videotaped lessons, big books and other media supplies. Recognizing that students have different learning styles and the importance of meeting such needs for maximum learning retention, we would like to provide the afore mentioned, but we do not have the financial resources. The need for your assistance is very urgent.

This is an extremely important request. Hundreds of students' lives are already changing while thousands are waiting for their experience with the Peaceful Solution Character Education Program. We need your help. Your financial and moral support will assist the Peaceful Solution Character Education Incorporated to fulfill its mission of bringing peace to school environments and communities through education. The benefits to society are manifold. Together we can accept the challenge to build in our children and future leaders a positive, moral character that promotes peace and stability in society as a whole.

Please consider our petition and support us in this great work of bringing positive character change to as many people as this program can reach.

A Donation Card has been enclosed for your convenience. All donations are tax deductible. We anxiously await your contribution.

Respectfully,

A handwritten signature in black ink that reads "Yisrayl B. Hawkins". The signature is written in a cursive, flowing style.

Yisrayl B. Hawkins  
President
